Hello Richard,

As promised, the SAB would like to share with you for your review and feedback the List of Candidates for the following SAB Standing Committees:

- Environmental Economics Advisory Committee (EEAC)
- Radiation Advisory Committee (RAC)
- Environmental Engineering Committee (EEC)
- Ecological Processes and Effects Committee (EPEC)
- Chemical Assessment Advisory Committee
- Drinking Water Committee (DWC) [outreach efforts are still ongoing]

These lists represent all nominees that were contacted by DFOs as a result of the outreach efforts by the SAB Staff Office (including via the Federal Register, outreach to organizations, and the SAB/CASAC websites). A brief overview of the background and the next steps is also included. Please provide the names of any candidates that should be considered for placement on the List of Candidates for each of the Standing Committees by September 14, 2017. Please note- for Standing Committee Chair positions feedback has already been provided to Tom Carpenter and the LOC for the Chartered SAB is ready for posting on September 7, 2017.

Should you have any questions or concerns, please do not hesitate to contact me or Chris.

Thank you,
Sue
